

Waste Disposal Policy

General Statement

Greening Electrical employs waste disposal practices to comply with the relevant sections of the Environmental Protection Act 1990 (e.g. Sections 33 and 34).

We aim to:

- Prevent the unauthorised or harmful disposal of waste
- Prevent the unauthorised or harmful disposal of waste by a third party
- On the transfer of waste to ensure
 - That the transfer is only to an authorised person or site
 - or to a person for authorised transport purposes; and that there is transferred, a written description of the waste as this will enable the third person to avoid the unauthorised or harmful disposal of the waste, and to comply with their duty of care.
